About Me

I am a MERN stack developer experienced in building full-stack web applications using React, Node.js, Express, and MongoDB. I specialize in creating dynamic user interfaces and scalable back-end systems. Skilled in API integration and deploying apps on platforms like Vercel and Heroku.

Soft Skills

- Problem-Solving Skills
- Creativity
- Teamwork
- Adaptability
- Time Management
- Leadership

Education

- **Bachelor of Technology**
Electronics and communication Engineering
Kuppam Engineering College
2022-2025
- **Diploma**
Electronics and communication Engineering
Kuppam Engineering College
2019-2022

Internship Experience

- **MINI FM**
MERN Stack Developer
on-going
Created a full-stack Mini FM audio player website using the MERN stack for seamless streaming and management of audio content. Integrated real-time features for a smooth user experience, enabling efficient playback, song tracking, and media control.
- **IOTAP**
MERN Stack Developer
Completed
Developed a full-stack IoT platform website using the MERN stack for real-time monitoring and remote control of IoT devices. Integrated with IoT hardware for seamless data collection, real-time updates, and efficient device management

Skills

- Proficient in building scalable web applications using MongoDB, Express.js, React.js, and Node.js.
- Skilled in creating and consuming RESTful APIs with expertise in back-end scripting using Express.js.
- Experienced in designing responsive user interfaces using React Hooks, Redux, and Context API.
- Hands-on knowledge of database design, querying, and optimization with MongoDB.
- Familiar with deploying applications on Heroku, Netlify, Vercel, and managing code with Git and GitHub.

Academic Achievements

- I Won the Third Prize in the Hack-N-Fix competition at Nagastra-2K24, organized by Kuppam.
- I achieved First Place in the Web Development event during Anthariksha-2K24 at Kuppam Engineering College.

Certifications

- Full Stack Application Development – IBM
- Full Stack Web Development Using React.js – Pantech eLearning Pvt Ltd
- IT Essential Course – CISCO Networking Academy
- JavaScript Programming – Lets Upgrade
- Introduction to Machine Learning – NPTEL [IIT Madras]
